Empowering Entrepreneurs to Build Successful Businesses

Live, Conquering Fears and Doubts

Monthly Live conquering Fears and Doubts Sessions. This will be a live session held once a month see website calendar for details. The session will be voice recorded for you. Of course you will gain the most by participating and being able to ask your own urgent questions. Reminders will be sent prior to the sessions but it's always good to put it on your calendar. It's also good to prepare questions ahead of time.

Fear can mean the difference between pursuing your dream and not going for it. It can mean the difference between living an average life, or living your dreams. Here are few **Fears of Entrepreneurs**

1. **Fear** of having no safety net. This usually encompasses money at its core...
2. **Fear** of having no certainty, no plan, and no idea of what's next...
3. **Fear** of failure. ...
4. **Fear** of not knowing what to do, what you love, or what idea to pick...
5. **Fear** of all the good ideas having been taken already...
6. **Fear** of not being good smart or talented enough..
